

## SONAS Bathrooms, House Event Bathroom Design Competition

As title sponsor of House event for 2019 SONAS Bathrooms invited members of the Interior Design Association to participate in an exciting activity to design a bathroom at their House exhibition display stand.

The stand has been designed to incorporate 4 display pods of equal size and shape. The opportunity for the selected Interior Designers was to design a bathroom concept that would sit within a pod by using products from the SONAS Bathroom catalogue.

Visitors to the show and SONAS Bathrooms stand will be invited to vote for their favourite design during the event from 24 to 26<sup>th</sup> May in the RDS.

One voter who chooses the winning designer with the most votes by Sunday 26<sup>th</sup> @ 4pm will win a prize of a free 2-hour design consultation with the winning designer.

The competition aims to be an exciting activity at house 2019 and we are looking forward to the fabulous concepts the talented designers plan to bring to the event.

The competing designers are:

Thelma Henry of Thelma Henry Interiors  
Gwen Kenny, of Divine Design  
Ciara Drennan of Ciara Drennan Interiors  
Sinéad Cassidy of Sinead Cassidy Design

SONAS Bathrooms would like to thank the Interiors association for their cooperation in inviting their members to participate.
